Call for bids to host FIG Working Week 2015 or 2016

At its meeting in Rome, Italy 6-10 May 2012 the FIG General Assembly will select the venue for the FIG Working Week 2015 and FIG Working Week 2016

Dear FIG Member,

You are invited to consider making a bid to host the FIG Working Week 2015 or FIG Working Week 2016 together with the Federation. The Council has prepared bidding guidelines for both events that are attached to this letter. The bidding guidelines explain in detail the information that is required for a successful bid. Decision on the host of the two Working Weeks will be made in Rome based on proposal from the Council and evaluation report prepared by the FIG Office.

Because the General Assembly decided in May 2011 to postpone decision on the host of the FIG Working Week 2015 to next year, this means that in Rome decision will be made exceptionally on two conferences. Member associations that will submit a bid are requested to clearly state in their bid in which year they are willing to host the FIG conference. If they want to apply for either year one bid will be sufficient. In this case please notice that host of the FIG Working Week 2015 will be made first and the successful candidate will not be included in the vote for the host of FIG Working Week 2016.

Any association that is interested to host the FIG Working Week in 2015 or 2016 is requested to contact FIG Director Markku Villikka, email: markku.villikka@fig.net and tel. + 358 44 3570911 who will assist with any questions that you may have.

Kind regards
