

‘Sustainable Development Goals: a time for innovations and investment in land administration and management’

**Thursday 10th & Friday 11th August 2017
Tanzania**

**The Institution of Surveyors of Tanzania (IST), The Tanzanian Institution of Valuers & Estate Surveyors (TIVEA)
in collaboration with
The Commonwealth Association of Surveying & Land Economy (CASLE)
invite you to:-
‘An International Conference’**

**Venue:
Julius Nyerere Convention Centre - Dar es Salaam, Tanzania**

The conference will incorporate a number of workshops each introduced by a keynote speaker:

**Workshop 1 (Land administration & urbanisation)
Workshop 2 (Sustainable construction practices)
Workshop 3 (Infrastructure development & financing)
Workshop 4 (Property valuation & taxation)**

We shall run parallel sessions if we receive sufficient papers

Sub themes:

- Land administration and management.
- Contextualizing land policies in a globalizing world.
- Land Governance and ethics.
- Access to land and vulnerability.
- Curricula on land governance.
- Land use conflicts.
- Localization of land governance agendas.
- Spatial data infrastructure.
- Innovation and technology in land administration.
- Environmental management.
- Geo-spatial data and management
- Geomatics and all issues concerning measurement of landed properties.
- Procurement & documentation for construction .contracts and cost control.
- Capacity building to local land practitioners.
- Sustainable design & construction practices.
