

Dear Friend and Colleague,

It is a brand new year – 2014 – the year of the XXV International FIG Congress. The silver jubilee Congress will be a grand celebration! The celebration will be a mix of interesting plenary and technical sessions and workshops; a trade exhibition and a variety of side events and social functions, giving you a unique opportunity to discuss best practices within the surveying profession with fellow peers. The Kuala Lumpur 2014 FIG Congress should be of interest to participants from all over the world and will be a memorable experience not to be missed.

We would appreciate if you would spread the word about this special event to your friends and colleagues!
