

Dear Friend and Colleague,

It is a great pleasure to invite you to the XXV FIG International Congress 2014 which will be held at the Kuala Lumpur Convention Centre in Kuala Lumpur, Malaysia from 16th to 21st of June 2014.

The FIG Congress will be one of the premier international events within the surveying field in 2014 and the silver jubilee Congress will be a grand celebration!

The Congress program will showcase the work of FIG and its Commissions, Task Forces and Permanent Institutions. The program will be underpinned by invited presentations in four plenary sessions covering various topics within the overall theme "Engaging the Challenges – Enhancing the Relevance". The four consecutive congress days will be offering up to 10 parallel sessions and workshops. This will allow more than 700 presentations in the entire broadness of the surveying profession. Please visit www.fig.net/fig2014/programme.htm for a glance of the programme.

You will also be offered a range of very interesting technical tours aimed at highlighting the role of the profession in Malaysia and set across the broad context of FIG's Commissions. For more information about the six tours offered, please visit:

www.fig.net/fig2014/techtours.htm

An excellent program of social functions/tours will be offered for the congress that promises a tantalizing taste of some of the great locations, cuisine and performance art of Kuala Lumpur and Malaysia.

Take an active part in the FIG Congress – submit your abstract now! We invite you to submit an abstract by 1 December. Please use this link
