

FIG and PEJUTA invite you to the XXV FIG International Congress in June 2014 in Kuala Lumpur, Malaysia!

Dear Friend and Colleague,

It is our great pleasure and honor to invite you and your colleagues to attend the **XXV International Congress** which will take place at **3.153889000°N 101.713056000°E** from 16 to 21 June 2014. It is the first time the FIG Congress will be held in Asia, and the silver jubilee Congress will be a culmination of the four-year FIG Work Plan as well as the start of a new 4 year term with a new FIG President who will be elected at the General Assembly. Do not miss this grand celebration.

The overall theme of the Congress is "**Engaging the Challenges – Enhancing the Relevance**", within the context of the work plan. There is a specific reason for choosing this theme. A wise man once remarked, "In every Failure, therein lies the Seed of Achievement"; we share the opinion that "In every Challenge, therein lies the Seed of Enhancing Relevance" for Surveyors across the globe, who have been diligently enhancing skills and knowledge, whilst exploring new technological platforms to deliver quality services, and contributing to the nation building success of their respective countries.

Call for papers – peer review papers and non-peer review papers

The technical programme includes a broad professional and scientific programme offering around 700 presentations in more than 100 technical sessions in a four-day programme. The programme will offer both specially invited high profile presentations and papers that are selected through the open call for papers procedure.

The Call for Papers is open for both **peer review** and **non-peer review** submissions. FIG Congress 2014 will gather international practitioners and academics from different cultural backgrounds, diverse surveying traditions, varying professional experiences and multi-professional disciplines.

Invitation and full call for paper: www.fig.net/fig2014/downloads/call_for_papers_fig2014.pdf

Important deadlines for papers: www.fig.net/fig2014/dates.htm

Submit your abstract: www.fig.net/fig2014/submission.htm

Final deadline for submitting abstract and full paper is **1 November 2013** if you would like to have your paper reviewed by two independent, professional FIG reviewers in a blinded peer review process. Papers should be submitted at fig@fig.net. The deadline for submitting your non-peer review abstract is **1 December 2013**.

Exhibition - a valuable opportunity to strengthen your organisation's exposure to your key target markets

A comprehensive trade exhibition will run concurrently with the FIG Congress, from 17-19 June 2014 at the Kuala Lumpur Convention Centre. Sponsors and exhibitors representing relevant professional businesses and organisations are invited to participate and showcase their products and services.

A range of sponsorship packages and exhibitor options are available at different commitment levels, and are tailored to suit your marketing strategy.

For more information about the various sponsorships and exhibition opportunities please visit: www.fig.net/fig2014/exhibition_opportunities.htm

If you are interested please contact Claudia Stormoen, email: claudia.stormoen@fig.net

Platinum sponsors of the Congress are Trimble and Esri, and primary supporter is Malaysia Convention and Exhibition Bureau.
