proj. graf. Karolina i Marek Błazuccy

**Invitation:**

Association of Polish Surveyors, FIG Member, invites for participation  
in the **2<sup>nd</sup> Cadastral Congress**

“Cadastral reliable for civil and social services”

to be held in Cracow, Poland, September 18-21, 2003.

**Congress** is organised under the auspices of the President of FIG

***Prof. Holger Magel***

co-operating with FIG Commission 7 “Cadastral and land management”.

The Organisers intend to present to the International Surveying Community the cadastral systems and cadastral-related problems all over the World.

World-known scientists and practitioners will present the main trends of cadastral development during the Congress in the form of invited papers. Participants will be also able to present individual papers, oral and posters, devoted to the particular ‘cadastral cases’ in their countries.

Organisers will offer to the Congress Participants getting acquainted with the Old-Polish-Capital-City – Cracow.

You are cordially invited to visit Cracow for the **2<sup>nd</sup> Cadastral Congress**.
