- Contributing
- Cascading

Enhancing the Significance and Relevance the Profession

Commissions
Commissions are, collectively, “powerhouses” of the Federation, sources of in-depth knowledge, promoters and champions of standards and best practices.

As Commissions are powerhouses, national delegates as well as correspondents to these Commissions are the vital “power grids”.
Ensuring Administrative and Financial Sustainability

Responsibilities and Leadership

Vision

A Profession, armed with knowledge and best practices, extending the usefulness of surveying for the benefit of society, environment and economy, increasingly positioned in significance and relevance, next door to everywhere.

**Council Work Plan 2011 – 2014**

Engaging the Challenge: Enhancing the Relevance
