## Member Association Forum

Presidents and representatives are invited to this Forum to **discuss** issues of relevance and importance to member associations, to **network** and to **exchange**.

Attendees can raise **issues relevant to their association** or discuss **FIG matters** and this meeting will be held prior to the Presidents meeting, so that if needed, messages can be brought to FIG President and council.

Suggested topics are the impact and lessons learned of the **pandemic** on the member associations, **future of FIG Conferences** seen from a national association point of view, feedback on the **voting** for the FIG General Assembly in the future – should it continue to be online, should it be online but in real-time, should it be back to paper voting?
