Protecting
Our World,
Conquering
New Frontiers

FIG-AFRICA REGIONAL NETWORK

WORKPLAN 2023-2026

Organized By

Diamond Sponsors

FIG-ARN Strategic Objectives -VISION 2030

- African Surveyors Capacity Development
- Provides platform for African MAs
- Promotes the corporate image of FIG
- Strategic partnerships
- Mentoring: knowledge, skill and ethics

FIG-ARN VISION 2030

“A platform that has a mainstreaming strategy to ensure that our strategic stakeholder groups are fully involved. These include Young Professionals, Franco-phone land professionals as well as the main Membership Associations to ensure diversity in our audience. Such diversity will provide a lead champion each year”

FIG-ARN Main Organisational structure
