Surveying a Broken City

Chris Scott – Beca
SCIRT Survey Manager 2011-2013

FIG Working Week 2016
CHRISTCHURCH, NEW ZEALAND 2–6 MAY 2016
FIG Working Week 2016

The Surveying Job
How did we go about it?

“The whole is greater than the sum of its parts.”
- Aristotle
The Fundamentals

• Collaboration
• Innovation
• On-time delivery
• Quality of work
• Safety

‘What gets measured gets managed’
What did we achieve?
A Single Source of Truth
180 designers working together
What worked well?

- Standardisation of data
- Promote Innovation and change
- Competition & Collaboration
- Focus on fundamentals
- Values, mind-sets and behaviours
Chris Scott – Beca
SCIRT Survey Manager
2011-2013

Thank you
