

Regional Capacity Development Network

Dr Diane Dumashie
Chair

**FIG General Assembly I, Helsinki, Finland
28th May 2017**

FIG Regional Capacity Network [www.fig.net/organisation/ network](http://www.fig.net/organisation/network)

FIG Regional Capacity Development Network

FIG global regions aim to identify

- What their continuing capacity needs are
- And,
- How a Regional FIG platform could help

Networks Established:

- Africa (ARN)
- Asia Pacific (AP CDN)
- & other Regions are invited!

Africa Regional Network GA Overview

- I. Commitment
- II. Collaboration with Partners
- III. Content & Outcomes
- IV. Communication
- V. Next steps

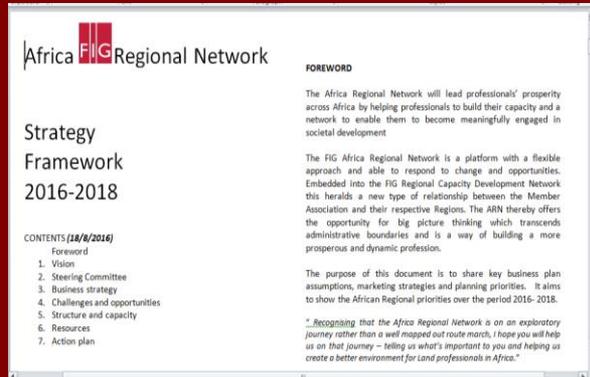

I Commitment

II Collaborative

Network Outreach

- Ivory Coast, Abidjan 2016
- Theme:

Time to improve and encourage good land governance:

Supporting the implementation of the VGGTs

2016 - Ivory Coast, Abidjan

Activity:

- Workshop: 38 Registered
- Representation from West, East and Southern Africa
- Documented: Digital Messages
- Partnerships, and
- Supported by the FIG Family.....

FIG Family

- **President François Mazuyer**
Fédération des Géomètres
Francophones, FGF

- **President Emile Kokoh**
Adjoumany

Order des Geometres Experts de
Cote d'Ivoire, OGECI

And.....FIG Family

- **Stephen Djaba, Director
GeoTech**

**Exploring Partnerships &
Map your community!**

- **W. Odame Larbi (AU) FAO Africa
Unit Team,
Supporting VGGT discussion**

**Food and Agriculture
Organization of the
United Nations**

Working with our Partners

Two complimentary activities

- Conference organised by **FGF**: “Land management for sustainable development; which solutions for developing countries?”
- Supported by: **GLTN** professional cluster

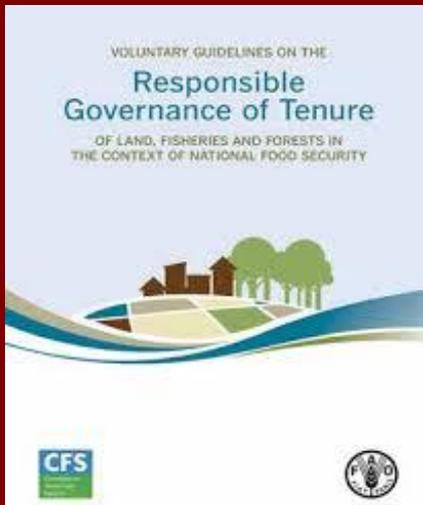

And,

- **ARN** workshop, with input from **FAO**
.....

III Content

The Governance of Tenure

- **Building** future resilience into land professional practices to improve governance of tenure
 - By **understanding** the implementation opportunities referenced in the VGGTs
- And,
- that will ensure that **people benefit** from secure and equitable tenure rights.

<http://www.fao.org/nr/tenure>

Groups Focus

To create their digital message

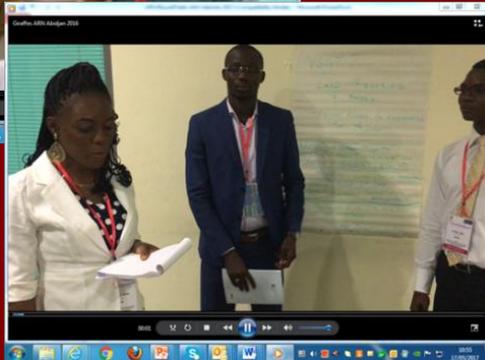

- **4 minute media tool** that highlights messages to public, private and civic communities
- The existence of the VGGT guidelines
- Engage and demonstrate:
- ***“What Land professionals can/ and do, to help implement the VGGT***
- **And, outcomes.....**

....Outcomes

The fun we had.....

The 5 groups presented key messages in their video clips.....

IV. Communication

- Partnerships
 - People
 - And
 - Members

Abidjan Workshop

- **Partnerships:**
 - **FGF** and **FAO** for co-participation and collaboration
 - **YSN/Africa** amazing turn out with energy and enthusiasm, watch this space for further leadership!
- **People:**
 - Members attending and working groups/leads
 - **OGECI** for the invaluable logistical support

Communicating to you.....

What we've done

- Delivered to network
- Developed a strategic framework
- Engaged across the continent
- Built capacity
