

Property Rights and Legal Empowerment

Dr. Ashraf GHANI, Afghanistan

CURRICULUM VITAE

Dr. **Ashraf Ghani** is the Chairman of the Institute of State Effectiveness, an organization set up in January 2005 to promote the ability of states to serve their citizens. As Afghanistan's finance minister between July 2002 and December 2004, he set the path for Afghanistan's attempted economic recovery after the collapse of the Taliban. Dr. Ghani is also a member of the Commission on Legal Empowerment of the Poor, an independent initiative hosted by the UNDP.
