

**Comisión 7**  
**Federación Internacional de Agrimensores**

FIG Regional Conference  
 Montevideo, Uruguay, 26-29 Nov. 2012

Daniel Roberge, presidente  
 FIG Comisión 7

---

FIG Regional Conference  
 Montevideo, Uruguay, 26-28 Nov. 2012

## Commission 7 - Priorities

- promoting land rights infrastructures and good land governance to contribute to sustainable development
- developing a better preparedness and response to natural disaster and climate change
- developing a better cooperation between land surveyors aiming to improve the capacity and governance in land administration
- developing cadastral perspectives
- investigating direct involvement of citizens into e-land administration processes
- co-operating with international organizations in land tenure issues

---

FIG Regional Conference  
Montevideo, Uruguay, 26-28 Nov. 2012

## Commission 7 - Administration

- Chair: Daniel Roberge
- Administration and Communication
  - Vice-chair: Claire Galpin
  - Assistant and Young Surveyor representative: Jean-François Beaupré

---

FIG Regional Conference  
Montevideo, Uruguay, 26-28 Nov. 2012

## Commission 7 - Working Groups

- W.G.7.1 - Pro Poor Land Tools  
C.Lemmen
- W.G. 7.2 – Land Administration, Natural Disasters and Climate Change  
D. Mitchell & J. Zevenbergen
- W.G. 7.3 - Cadastral Perspectives  
G. Schennach
  - Joint W.G. with Com. 3 – P. van Oosterom
- W.G. 7.4 - Land Management Reforms  
R. Grover

---

FIG Regional Conference  
Montevideo, Uruguay, 26-28 Nov. 2012

## Working Group 7.1 Pro Poor Land Management

Land Administration Domain Model  
Social Tenure Domain Model

- LADM is now a new ISO Standard
- LADM includes Social Tenure Domain Model (STDM):
  - STDM is strongly supported by FIG, the World Bank and UN Habitat
  - The standard includes the administration of formal and customary rights integrated

---

FIG Regional Conference  
Montevideo, Uruguay, 26-28 Nov. 2012

## Working Group 7.1 Pro Poor Land Management

### Land Administration Domain Model ISO 19152 Scope

- reference model
- land/water, below/above surface
- basic classes: (1) parties, (2) rights, responsibilities, and restrictions, (3) spatial units, (4) spatial sources, and (5) spatial representations
- terminology enabling communication
- shared description of formal or informal practices
- basis for national, and regional profiles (application schema)
- nointerference with (national) land administration laws

---

FIG Regional Conference  
Montevideo, Uruguay, 26-28 Nov. 2012

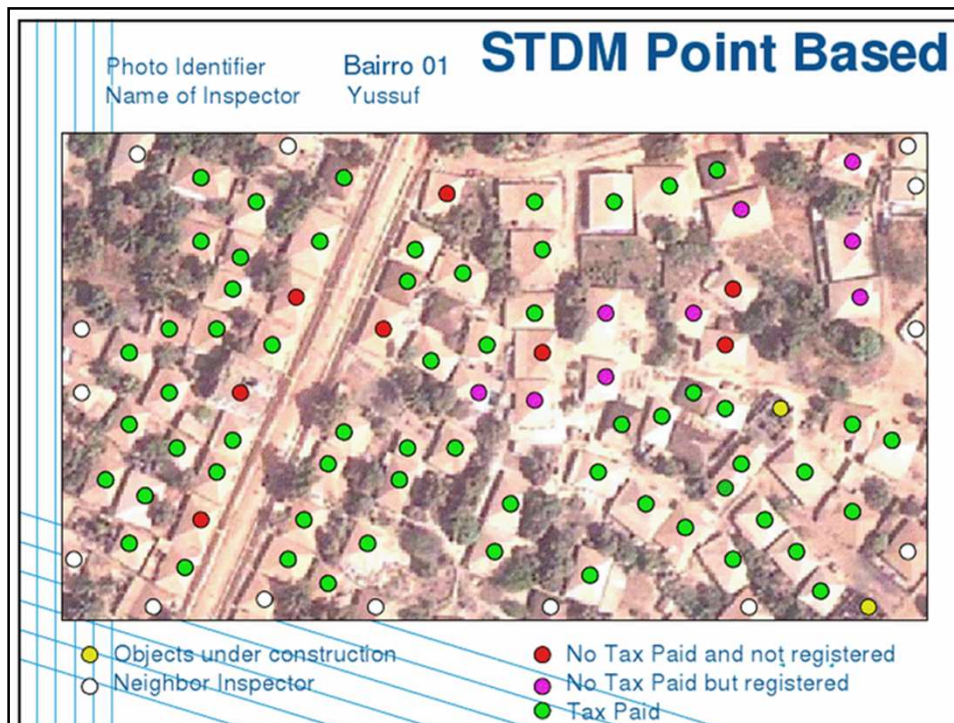

## Working Group 7.1 Pro Poor Land Management

### Social Tenure Domain Model developed in Cooperation with World Bank/UN-HABITAT

---

FIG Regional Conference  
Montevideo, Uruguay, 26-28 Nov. 2012

## Working Group 7.2 Disaster Management and Climate Change

### ■ Land and disaster response

- Land tenure and emergency shelter, transitional settlement
- Land issues in rapid and detailed assessments
- Raise land issues early on (e.g. flash appeal)
- Pressure cooker of developments
- Window of opportunity for change

### ■ Recovery

- Rescue, recover, repair land records
- Land tenure and (updated) hazard risk mapping
- Access to land for displaced persons and returnees whose land is lost or unsafe

**FIG** **Working Group 7.2**  
**Disaster Management and Climate Change**

- Joint project with UN FAO and linked to Voluntary Guidelines.
- Information for land professionals via FIG website and other platforms when appropriate
- Online training material on land tenure and natural disasters for land and related professionals.
  - This will comprise several modules relating to different stages of a Disaster Risk Management Framework.

---

FIG Regional Conference  
Montevideo, Uruguay, 26-28 Nov. 2012

12

## Working Group 7.2 Disaster Management and Climate Change

The e-learning training material will be developed in English in two phases between 2011 and 2014.

### **Phase 1. 2011-2012:**

- Development of regional case studies analyzing land tenure and particularly land administration.
- Development of regional face-to-face training to:
  - (i) test and adapt regionally the existing training materials;
  - (ii) elaborate case studies;
  - (iii) register/videos with experiences and lessons learned.

---

FIG Regional Conference  
Montevideo, Uruguay, 26-28 Nov. 2012

13

## Working Group 7.2 Land administration, Disaster Management and Climate Change

### **Phase 2. 2013-2014:**

- Development of the modules including videos and case study material into an online format.
- Testing of the modules.
- Editing of English modules version and translation into Spanish and French.
- Dissemination of the e-learning modules through FAO, FIG and other related websites.

---

FIG Regional Conference  
Montevideo, Uruguay, 26-28 Nov. 2012

14

### **Working Group 7.3 Cadastral Perspectives**

- To promote the application of innovative and advanced technology in cadastre and land administration
- To promote awareness of the role of surveyors in land administration matters to the public and among stake holders

---

FIG Regional Conference  
Montevideo, Uruguay, 26-28 Nov. 2012

### **Working Group 7.3 Cadastral Perspectives**

- International Symposium “Cadastre 2.0” on 1 Oct 2011 in Innsbruck, Austria and proceedings "Cadastre 2.0"
- 3rd Cadastral Congress in Nov 2011 in Warsaw/Poland (papers)
- Special panel discussion of FIG WG 7.3 on new technologies in cadastre
- Lifestream for GIM International on future of cadastre (GS)

---

FIG Regional Conference  
Montevideo, Uruguay, 26-28 Nov. 2012

## Working Group 7.3 Cadastral Perspectives

### Workplan for 2012/2013:

- Questionnaire about new techniques in cadastre and analysis
- Investigation about possible professional and future models
- define a multifunctional cadastre as a successor of multipurpose cadastre
- Meeting with Latin American representatives at Annual Meeting 2012 in Argentina, Nov 2012
- Presentations in Internat. Symposium in Argentina, 4 Dec 2012

---

FIG Regional Conference  
Montevideo, Uruguay, 26-28 Nov. 2012

## Working Group 7.3 FIG working group on 3D Cadastres

Chair: Peter van Oosterom

- Work plan 2010-2014 on [www.gdmc.nl/3DCadastres](http://www.gdmc.nl/3DCadastres)
- 3D Cadastre Workshop in Delft, The Netherlands, 2011, proceedings are online: <http://3dcadastres2011.nl/papers/>
- 3D Cadastre Symposium in Shenzhen, China, 2012: <http://www.cadastre2012.org/>

---

FIG Regional Conference  
Montevideo, Uruguay, 26-28 Nov. 2012

FIG Regional Conference  
Montevideo, Uruguay, 26-28 Nov. 2012

The screenshot shows the website for FIG Commission 7. The browser title is "FIG Commission 7 - Index - Mozilla Firefox". The address bar shows "www.fig.net/commission7". The page content includes the FIG logo and the text "International Federation of Surveyors", "Fédération Internationale des Géomètres", "Internationale Vereinigung der Vermessungsingenieure", and "FIG COMMISSION 7 Cadastre & Land Management". A navigation menu lists links such as "FIG HOME PAGE", "NATIONAL DELEGATES", "COMMISSION OFFICERS", "WORKING GROUPS", "WORK PLAN", "NEWS", "DESCRIPTION OF COMMISSION 7", "REPORTS AND PUBLICATIONS", "NEWSLETTER", "USEFUL LINKS", "HOW TO JOIN", and "CONTACT US". The main heading is "Welcome to the home page of FIG Commission 7 - Cadastre and Land Management". Below this, it announces the "FIG Commission 7 Annual meeting 2012 and International Symposium, San Luis, Argentina, 30 November to 4 December 2012". The text describes the event, its location in San Luis, Argentina, and its theme of Land Governance in South America. It also mentions that the events are co-organized by the Consejo Federal de Catastro de Argentina (CFC) and the Federación Argentina del Agrimensores (FADA). A list of links for invitation letters in English, French, and Spanish is provided, along with contact information for registration and more information.
